THANKS TO MR. CHARLES HATCH

The Class of 1988 gratefully recognizes the talents and dedication of Mr. Charles Hatch for his years of service to the students of Framingham South High. As Head of the Business Department, he has made a great impression on the lives of the students. Besides his almost thirty years of teaching at South, he has also been a Philomath advisor and a SMARC party organizer. We feel honored to have known Mr. Hatch, and we wish him many years of happiness to come.

FOR HIS YEARS OF DEDICATION

WELCOME!!! DR. EUGENE THAYER

After the departure of Rigas Rigopolous, the Framingham School department received a new superintendent. Dr. Eugene Thayer, a graduate of both the Boston College and the Boston University Schools of Education, holds a Doctoral degree in Public School Administration from the University of Massachusetts at Amherst. Because of his outstanding teaching record in the Norwood Public School system, he earned the position of Principal in an elementary school in the same town. His experience over the past eight years as Superintendent of the Lawrence School Department made him an excellent choice for the position. Receiving an honorable discharge from the United States Army, Dr. Thayer is a member of the Governor/Superintendents' Task Force on Drug and Alcohol Education. Both students and administration extend their heartfelt welcome to Dr. Thayer, the new addition to our South High family.

OUR NEW SUPERINTENDENT

IN SINCERE APPRECIATION

After 30 years of devoted service, Vice Principal Joyce III is retiring. He came to South as a science teacher and became a Vice Principal in 1964. Under Mr. Joyce's friendly administration, the students felt welcomed and comfortable. He is known by the faculty as the "Dean." Mr. Joyce's service at South will be best remembered as truly thoughtful, and his caring disposition accredits his being loved by all. Good luck in the future, Mr. Joyce.

The students at Framingham South High School regret saying goodbye to Christopher Garahan after 27 years of devoted service. Through this dedication, the class of 1988 would like to show its appreciation to one of the most deserving members of the faculty. He has gained the respect and high esteem of all students, faculty, and administration. Spending 21 years as a tennis coach, Mr. Garahan is well loved. Thank you, Mr. Garahan, you will be missed.

Thumbs Up the athletes of the class of 1988 for helping Flyer sports to soar higher this year.

Thumbs Down to the month of school between the prom and the seniors' last day.

Thumbs Up to the introduction of a juice machine and a school store to South. But...

Thumbs Down to the introduction of sixth graders into South. It's so hard to tell the difference between them and the freshmen.

Thumbs Up to the "Sos" and his drama crew for the past four years of entertaining plays and musicals.

Thumbs Down to our head librarian for refusing to pose for a yearbook photograph.

Thumbs Down to the departure of our beloved vice-principal, Donald McCallion.

Thumbs Up to the vast number of trophies in the South High trophy case. But . . .

Thumbs Down to their not-too recent dates.

Thumbs Up and future prosperity to the Barreira Farms, especially for the chickens on the Southwest 40.

Thumbs Up to the Debramath's slaves who, under the direction of Debbie "The Curl" Levine, produced this yearbook.

Thumbs Up to the Flyer teams who made some noise in this year's tourneys.

Two Thumbs Up to Mr. Sudmyer for all he's done for our class since the sixth grade. But . . .

One and a Half Thumbs Down to Mrs. Booth and Mr. James for all they've done to confuse us with things that are equal in some cases and that exist if they want to.

Thumbs Up to Mickey "Mouse" Gorbachev and Ronnie "Bozo" Reagan for meeting in December.

Thumbs Down to the new and heavier weight placed on mid-year and final exams.

Thumbs Up to the class of 1988 for all it has done to improve South. But . . .

Thumbs Down to those members of our class who contributed no time or effort beyond the hours of the school day.

Thumbs Up to the single-period world record of 187 "Mmm-Hmm"s now owned by a South teacher.

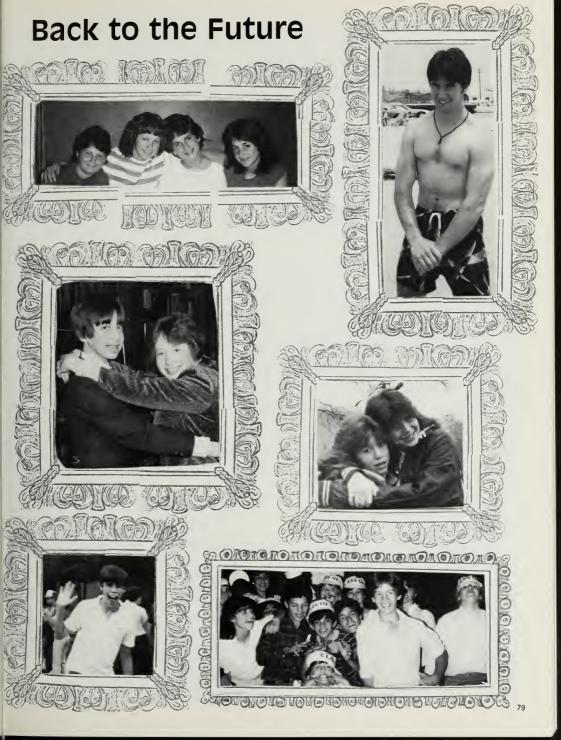

Thumbs Down to PHYSICal Joe for his influence on many of us, see.

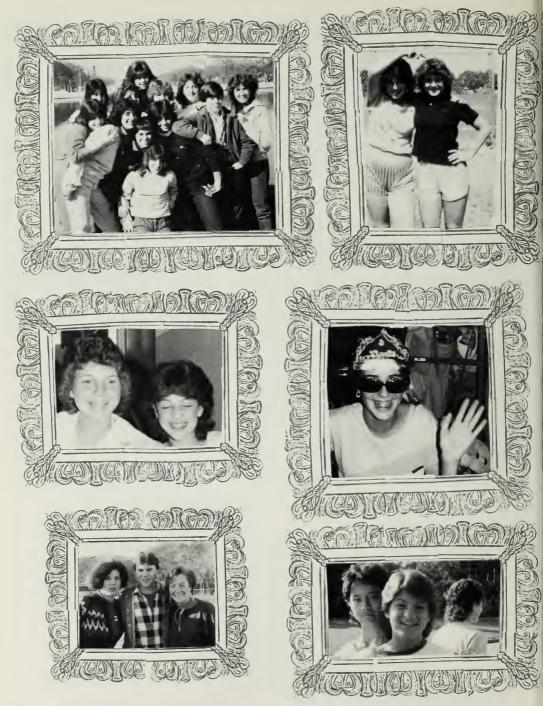

Thumbs Up to the endless amount of eating done at all language club parties. And . . .

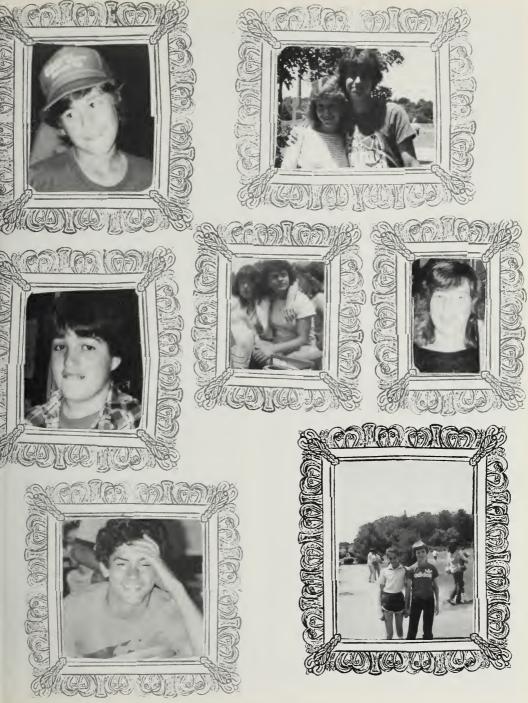

Thumbs Up or Thumbs Down, we don't know which, to the variety of dishes available in our cafeteria.

Thumbs Down to the Halloween Day banishment of graduating juniors who were in costume.

Finally, Thumbs Up to the entire class of 1988: the best South has ever seen !!!

This summer Mrs. Figueroa gave twelve South High students a taste of the lifestyles, histories and breathtaking beauties of Europe. Over a period of 2½ weeks, the group toured France, Switzerland and Italy. Thank you Mrs. Figueroa, for broadening our cultural horizons!

NORWAY'S NEWCOMER

Takk alle sammen for et fint ar. Jeg er glad for a vaere her. With a cheerful smile and an open heart, Jannike Haug has quickly adapted to the atmosphere and culture of America. She is staying for the year with the Nunes family as an exchange student. Although our culture is very different from her native Norway, she has found the people here most friendly and welcoming. Jannike will be leaving at the end of the year but her memory will long remain with her friends at South.

This year South is fortunate to be able to welcome Alberto Mastrofini, an Italian exchange student from Pisa. Although he misses his family and his dog Snoopy, Alberto has found a warm, supportive home here with the Christofori family, whose son Larry is a junior at South. Coming to America for a change of atmosphere and a better understanding of English, Alberto has greeted the American culture cheerfully. Since he has been here, he has enjoyed skiing, soccer, classes, and the many friends he has made here at South.

Early Childhood Development

First period science classes are well aware of the giggles and screams of the fourteen children involved in project blocks. The lead teacher of the program, Donna Delprete, and her assistant Adrianna Silver organize and supervise activities for the children. The two teachers are helped by a large group of students: Seniors, Jen Annesi, Julie Linsky, Julie Auslander, Kristen Hanna, Tina Fiorvanti, Mary Lumsden; and Juniors, Dona Heading, Kristen O'Neil, and Jo Ann Wilkinson. Their smiles and cheerfulness have been a welcome addition to the halls of South High.

Hello, once again, everyone, Keith Jackson, LIVE, Sullivan Stadium, Foxboro, Massachusetts, where the South High Flyers will take on the Walpole Rebels. It's gonna be a dandy . . .

Wait a sec. SULLIVAN STADIUM?! Yep. Due to a freak early snow storm, the game at Walpole was rescheduled at Sullivan. but that was not the only highlight of 1987 Flyer Football. South at one point was 2—1—1, and the team was very competitive on all but one or two games. To top it all off, the freshman team was undefeated! It certainly was a dandy for captains Mike Joy, Ted Huddleson, and David Chyten. Head coach Jack Diatelevi is ready to continue the resurgence of Flyer Football next year.

Sound Familiar? Coach Dan Avery and his tri-captains Dave Moscarelli, Kevin Maciulewicz, and Jim Borges, led South Soccer to its best year ever. They made the tournament for the first time in the school's history, with a little help from Bay State League MVP Borges. And they didn't even have to eat a ham sandwich . . .

Goalie Jen Armold along with captains Kristen Bell, Mary Lumsden, and Sherri Turner led South to the state tournament for the first time behind the play of BSL All Stars Lumsden, Turner, and Cathy Stone. Braintree North Needham Dedham Milton Norwood Walpole Wellesley Natick On the line, gentlemen! Take your mark...set...BANG! The Cross Country Team, led by captain and MVP Walter Downing, suffered a devastating loss with a mid-season ankle injury to Scott Relyea. Nevertheless, Coach Ed Daniels is optimistically looking forward to next year's season and the return of captain Gwil Jones, who holds the course record time, and BSL All Star Jessica Binder.

A through pass by Merson...over to Yarosz ... flat pass to Burke ... dribble ... shot ... SCORE!!!

The Flyer Field Hockey Team had a rebuilding year in 1987. Along with co-captains Cheryl Yarosz and Michelle Merson. Coach Pamela Jezukawicz led the young Flyer team. One highlight of the year was the outstanding play of BSL All Stars Yarosz and Chris Pontremoli. Coach Jez is highly optimistic about the team for 1988.

Let's start with South co-captains Karer Sczepanik and Gall Trachtenberg Both were voted BSL All Stars this year. Coach Edward Mercorelli is anxiously awaiting next season hoping that 1988-89 co-captains Deena Forman and Kathy Millar wil continue the rebirth of Flyer Volley ball.

Shot . . . Rejected by Tansil! Ferrera comes down with it, gets it over to Merloni. He fiddles and diddles, now quickly over to Garbarino, he drives, kicks it back to Garland, shot . . . touchdown! His fourth trifecta of the night as South takes the lead! How do the Flyer hoopsters spell excitement? Try "THREE POINTER." First-year head coach Marty Barry and captain David Ferrera led the Flyers to a very competitive year, as the new shot (along with tough man-to-man D!) began the rebirth of the basketball ghosts in the old gym. Eight seniors will return in 1988-89.

The girls basketball team worked quite hard throughout the season. Coach Del-Prete, in his third year as head coach, led the Flyer team along with captains Jen Armold and Janine Harwich. The emergence of Karen Adelman along with the steady play of seven other underclassmen should ensure future success. Best of luck to the 88-89 team.

Since the reconstruction and reorganization of the indoor track team in 1985, it has been a long haul for Coach Sposato and all the members. After a very disappointing first year, the team consisting of eight dedicated runners, the South Flyers began to improve and boast their morale with the addition of several more quality athletes. Although they won only one meet, this year has been the most rewarding because of the aspiring morale and dedication shown by all of the students, especially captains Steve Baden, Peter Falkowski, and Shelly Williams.

Diving Into the Thick of Things

In spite of their meager numbers, the 1988 version of the Flyer Boys Swim Team amassed a record of 4 wins and 5 losses. Captain Dave Holtz and MVP captain Rich Tirrell led the team to a fourth place finish at the league meet. Among many fine performances was Matt Cookes's 24.93, good enough for a number three ranking in the league at 50 yards. With nearly all members returning next year, Coach Perriera expects to have another fine season.

South High School, Where you too can be a star!

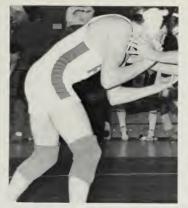

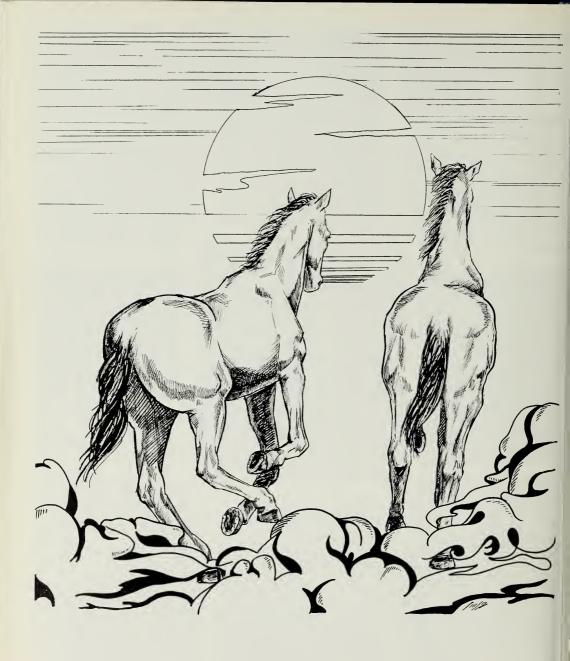

A special thanks to the Business and Advertising Staff. Their hard work and dedication helped provide a highly successful business section of the 1988 yearbook. Led by Stephen Kramer, Gary Ferrara, and Susan Heale, their outstanding business instint and hustle brought in enough sponsorships to once again make the yearbook affordable.

Thank you,

reliaran Jenine

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...
